Alco

Hook And Loop Ties

FEATURES:

- Made from tough durable Nylon PA 6
- Reusable
- Black nylon provides good UV resistance
- Self-adhering, but readily pulled apart
- Woven fabric provides softness so that fine cables are protected from damage.
- Simply cut to length - no waste
- Strong nylon strands prevent fraying
- Does not crush data cables
- Can be used for single cable or bundles
- Reduces the risk of data transmission failures caused by normal cable ties
