## Stainless Steel Cable Ties

### ROLLER BALL (BALL LOCK) CABLE TIES

- Stainless steel grade 316 cable ties
- Stainless steel cable tie with unique ball locking mechanism allows the cable tie to be quickly and easily installed
- Installation is much easier and quicker than traditional metal strapping systems
- Stainless steel cable ties are suitable for environmentally harsh conditions including outdoors, underground, marine oil rigs etc.
- Stainless steel cables ties superior corrosion resistance
- Strong and durable tie for bundling applications in all environmental conditions
- SS316 is especially durable against water or salt spray
- Easy installation by hand or cable tie gun, WATSSCTG
- Fire Rating - WS52W to AS/NZ:3013.

### ROLLER BALL (BALL LOCK) CABLE TIES WITH EPOXY COATING

- All the features of uncoated ties plus...
- SS316 Stainless steel cable tie with black epoxy coating provides excellent resistance to chemical and salt spray
- Coating provides extra protection to cables to help prevent damage
- Coating also provides additional insulation between cable tie bundle materials
- Low smoke Halogen free
- UV Stabilized (coated only)
- Fire Rating - WS52W to AS/NZ:3013

### STAINLESS STEEL CABLE TIE GUN

- The WATSSCTG is a tensioning and cable tie cut off tool for use with WATTMASTER's range of SS316 cable ties
- Once the cable tie has been tightened push down on the round steel bar on the side to easily cut off the excess cable tie
